

Tokoza Disability Support Group

On the 19th of May 2017 the disability support group in Ekurhuleni's Tokoza Township was launched. The group was founded by Mr Johannes Motaung, one the MOWCS home based care clients who is an amputee. The support group serves motivate, educate and create an awareness for people with disabilities. Discovery donated 2 desktop computers to MOWCS of which one was given to Patrick in Orange Farm and the other to the Tokoza Disability Support Group for administrative purposes. On the 13th of July 2017 the computer was officially handed over to the group, it was greatly appreciated. On the 10th August 2017 the executive members of the group then decided to come and deliver a Thank-You letter, flower and chocolates as their token of appreciation to Meals on Wheels Community Services and Discovery for their support.
